DETAILED ACTION

Claims 1-5 and 7-30 are allowed. The following is an examiner's statement of reasons for allowance: the primary reason for allowance of the claims is the inclusion of the limitation of a midplane board or interface board, respectively, coupled to a module disposed in a first drawer when the first drawer is not disposed in the chassis. This feature, in combination with the remaining elements or steps, is not disclosed in the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Q. Edwards whose telephone number is 571-272-2042. The examiner can normally be reached on M-F (7:30-3:00) First Friday Off.
